Discussion Q's- Online Service Easter Sunday

Have you ever thought about the different ways in which God has promised to raise us up?

- Spiritually - new life is raised up within us (Jn 11:25).
- Physically - after death, our bodies are raised up (Rom 6:4).
- Life's circumstances - our spiritual inheritance has benefits now which give us hope. If we ever fall under the weight of this life, He'll be there to raise us up again (Eph 1:19-20).

1. Which of these is most relevant to you today?
2. Why do you think Paul says we are called to hope?
3. In what ways has God picked you up in the past?
4. To what does Paul compare the power of God in Ephesians 1:19-20 to?
