1 John 3:18-24

1. Can you think of an example in your life of extravagant love?
2. Obviously, 'love' is a priority for all Christians. Why might some argue that 'belief' is a precursor to love? (John 6:29, 1 Corinthians 13:13).
3. Why is John so emphatic that where these two fruits exist, so does the Spirit of Christ?
4. Verse 20 elevates God above our hearts (our innermost self). Have you ever used scripture memorisation to help align your feelings or conscience with God's truth? Is there something that needs aligning today?
