Steadfast for one another in trials: 1 Thessalonians 2:17-3:5

1. Have you longed to see others from the Church? Why do you miss seeing them?
2. How would you have felt to be Timothy, a young man, with less than 6 months of experience on Paul's team and being sent to encourage an entire Church in a period of affliction?
3. Can you see ways in which the tempter may have been tempting you during this period of separation from gathering as a Church? Have you needed/sought more support?
