1. Paul uses the words sleep and asleep several times throughout 1 Thessalonians 4:13-5:11. Why do you think that it is important to distinguish what kind of sleep he is referring to?
2. Do you feel that you are personally prepared or unprepared for the Lord to return? If unprepared what can you do to prepare?
3. Do you see people around you who may be sleeping and unprepared for the coming of the Lord? Is there something that you can do to help them wake up?
