2. What experience - if any - have you had with this gift?
3. How can prophecy be tested and who should do that?
4. What would you like to learn about this particular gift?
5. Have you received a word of prophecy that you need to test or hang onto at the moment? What does that look like?
6. Has the Lord given you a word of prophecy for someone else? How should you test that before passing it on?
