Mr Nosey: 1 Thessalonians 4:9-12 (& 2 Thess 3:11-13)

1. What stood out to you from today's passages? What stood out to you from today's message? How might God be calling you to respond?
2. Paul, Silas & Timothy affirm that the Thessalonians "have been taught by God to love each other," yet still urge them "to do so more and more". What are some ways you can express love to the people you will engage with today?
3. How does gossip, spreading rumours, being a busybody impede our capacity to love? What impact does it have on relationships?
4. During this time of lockdown when 'work' might look different, what opportunities are there to constructively "work with your hands" for the benefit of others? Why is this important?
